Student Emergency Assistance for Campus Housing Students

The U.S. Department of Education has made additional Emergency Financial support from HEERF funding available to students of our institution for their expenses related to the disruption of campus operations due to Coronavirus. Campus Administration has determined that a portion of this funding can be used to assist housing students with costs. This application permits students to apply for these funds. Each eligible student will receive a \$1000.00 award during the July 2021 term. An additional \$1000.00 award will be available for the October 2021 term, if you remain actively enrolled and in school housing.

In order to qualify, you must be actively enrolled AND living in school sponsored housing as of the date of the designated official distribution.

Please fill out this information below completely with accurate information. ***Please return this document to Jayme Holloway at Holloway.Jayme@ptcollege.edu.*** You must be actively enrolled at PTC at the time of application in order to receive funding.

Student Name: _____ Email: _____

Postal Address: _____ City: _____ State: _____ Zip: _____

Last Four Digits of SSN: _____ Phone Number: _____

PLEASE SELECT THE PAYMENT OPTION PREFERENCE:

_____ I authorize my approved Emergency funding amount to be applied to my student ledger card to defray the costs of school sponsored housing for the July 2021 term and October 2021 term, if applicable. By checking this option, I certify that I am authorizing PTC to use my eligible grant funds to be applied to any outstanding housing costs to the institution. I understand the receipt of this funding was not contingent on the funds being credited to my student account ledger and am doing so on my own accord.

_____ I authorize PTC to deliver my approved Emergency funding directly to me via e-check to be delivered by email to my school e-mail address upon processing of my application. Instructions will be provided to retrieve the funds to be cashed or to deposit to your bank account.

I attest that all information is true and accurate. I am requesting an Emergency Financial Grant to help cover the cost of housing expenses incurred. I understand the administration of my school will determine the final distribution date of the award and I must be actively enrolled and in school sponsored housing on this designated date.

Dear PTC Housing Students:

The U.S. Department of Education has made additional Emergency Financial support to students of our institution related to the disruption of campus operations due to the continued pandemic. The funding package provides additional aid to cover components of cost of attendance and emergency costs. Campus Administration has determined that a portion of this funding can be used for housing.

In order to be eligible, students must be actively enrolled and living in school sponsored housing as of the official declared date of distribution which will occur during the July 2021 term and during the October 2021 term (if you remain enrolled and in school housing). Funding will be in the amount of \$1000 for each applicable term and can be used for housing.

To make this application process as easy as possible for our PTC housing students, an application form will be added to your Dashboard for completion. It is important this is done ASAP in order to meet the requirements.

If you are experiencing problems in logging in or locating the form, please contact Jayme Holloway at Holloway.Jayme@ptcollege.edu .

Thank you
