- An additional \$1,000 housing grant was awarded to students living on campus for each term beginning in July and October 2021 provided an application was completed. This award was solely based on confirmed dorm residential status and verified enrollment at the time of distribution and no other factors. See [Attachment G](#) for the relevant application and communications.
 - A distribution was made to disburse all the remaining eligible funding received to date beginning mid February 2022. This award was solely based on students being actively enrolled or on an approved leave of absence at the time of distribution and in a degree seeking or certificate program. No application was required. See [Attachment H](#) for the relevant communication.
 - A final distribution was made to disburse any remaining funds leftover from prior distributions and to disburse the funding received under section 2003(a)(3). This award was solely based on students being actively enrolled or on an approved leave of absence at the time of distribution and in a degree seeking or certificate program. No application was required. See [Attachment I](#) for the relevant communication.
 - The methods used by the institution to determine which students receive Emergency Financial Aid Grants and how much they would receive under Section 314(a)(3) is included in the [SAIHE AWARDING POLICY](#).
7. Any instructions, directions, or guidance provided by the institution to students concerning the emergency financial aid grants under Section 18004(a)(1) of the CARES Act were provided in

each of the communications and applications sent to all eligible students. The relevant communications are included in the Attachments as listed in the tables and paragraph above. The student application was uploaded and available to each eligible student via the EduApp student communication system on for each round of awards. Each student was also informed via email of the application availability.

Processing applications

The steps for processing the applications are as follows:

- A spreadsheet was developed and prepopulated with the names of each student eligible for the distribution.
- Information that students provided from the application is transferred from EduApp to the spreadsheet.

As applications are received and processed, students had a choice of receiving the funds via ACH, electronic check, or applying their funds to their ledger to reduce out of pocket costs or lowering loan indebtedness. This information is included in the Attachments as listed in the tables and paragraph above.

An application was not required for students to receive Emergency Financial Aid Grants under Section 314(a)(3). When awarded, students received a revised Financial Aid Award Letter with their added SAIHE Award.
