This report showcases graduates from the January, April, July, and October 2020 classes. Data includes those who were offered and/or received assistance from January 1, 2020 - March 31, 2021.

*This information is documented by one of two methods, 1) verifications are completed by the graduate's employer, and 2) written statements are submitted by graduates directly to the Career Services office.
 All percentages shown are for those who are available to receive career assistance. *The majority of Therapeutic Massage positions are commission based, not hourly or salaried. Hourly rates will vary based on the establishment and employee experience. ****Total percentage includes only those programs that offer an internship. Due to the COVID-19 pandemic, 45% of graduates in April, July, and October 2020 completed capstone projects instead of internships. *****Applicable programs only. PTC's Nursing, Practical Nursing, and Therapeutic Massage graduates must pass a licensure exam to be employed in their field of study. Due to regulatory requirements, graduates awaiting licensure are not available to receive career search assistance until licensure is granted.

This report showcases graduates from the January, April, July and October 2017 classes. Data includes those who were offered and/or received assistance from January 1, 2017 – April 30, 2018.

*This information is documented by one of two methods, 1) verifications are completed by the graduate's employer, and 2) written statements are submitted by graduates directly to the Career Services office. **All percentages shown are for those who are available to receive career search assistance. ***The majority of Therapeutic Massage positions are commission based, not hourly or salaried. Hourly rates will vary based on the establishment and employee experience. ****Total percentage includes only those programs that offer an internship. *****Applicable programs only. PTC's Nursing, Practical Nursing, and Therapeutic Massage graduates must pass a licensure exam to be employed in their field of study. Due to regulatory requirements, graduates awaiting licensure are not available to receive career search assistance until licensure is granted.
